Dear Friend,

### MYANMAR TESTIMONY

The following is a written testimony sent to us from Myanmar after Pastor Robert Jele and his wife Sung Sung returned home. We have chosen to share it with you as a reminder of the blessing that Eaglesrest Foundation seeks to bring into the lives of many poor ministering families in Asia. Rejoice with us!

*Janene & Rommel*

Firstly, I praised the Lord for giving me this precious chance to testify how He had led us wonderfully during our trip to Phang Nga in Thailand. I wish to emphasize how God had blessed us while staying as a rest together with Ala family for two weeks under the guidance and sponsorship of the Eaglesrest foundation.

The Ministry of Eaglesrest foundation is a real blessing for my family. It delivered us out of darkness and led us into the light of God because it was my first time to see the way how people live in other countries. I am able to see how our friend, Janene and family loves God. My wife and I will never forget the Eaglesrest Director and Ala family for this blessed trip to Phang Nga.

While serving the Lord as an Evangelist, pastor and director and principal in The Truth Evangelical Bible School in Burmese medium for eighteen years, I had met with so many problems and difficulties. Those difficulties and problems affected me not only in body and mind, but also in our family life. My children even their mother became fully aware of serving the Lord that it made us miserable until I revealed them that God is our provider.

One day in September, 2009, one of my close friend told me that there was the ministry which helps Christian worker like me those who are tired body and soul because of God's ministry. He said that I really needed to take rest for a while from my work and gave an application form for it. He eventually filled up the form for me.

I really believed it was the will of God that my application was accepted by the Eaglesrest willingly. After this the foundation took all responsibilities for passport, visa and air tickets for me and my wife.

"...those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."  
Isaiah 40:28-31

By the Grace of God and guidance of God ,we left for Thailand by air on 3rd February,2010. Having no experience in boarding for foreign trip, me and my wife were excited and worried how to get way to Janene our friend at Bangkok airport. BUT God is always good that he had miraculously delivered a close friend of mine who had experiences in such case to us in Yangon airport. It happened that his seat number was next to my wife's seat. With his helps we could find Janene and friends at Bangkok airport without any difficulty. So the third February of 2010 becomes an unforgettable day for us for the following reasons.

- 1.The 3rd February 2010 is the 14th anniversary of our marriage and became our first honeymoon.
- 2.This is the first trip by air for us to be on board for foreign trip.
- 3.It is the first time I talked with foreigners face to face in English.
- 4.It is the first time for us to eat sea foods and foreign food.
- 5.The first time for us to swim in sea water.

All these things we can experiences are by the financial helps and real sincerity of the Eaglesrest foundation. As a last command, I want to state that some of my friends urged me to take care a great care in dealing with foreigners, especially with western people because they had strict discipline. But when we actually dealt with them, we found them hearted and hospitable enough to forgive us whatever we do by mistakes.

Therefore, I admitted that the lessons I got from them while staying there for two weeks exceeded the knowledge I got during my schooling seven years in Bible College. Though the Eaglesrest foundation did not teach or train me any lessons by speaking or writing, their deeds, behaviors and the way the live changed all my opinions and ideas. So lessons which I got from Ala family for my family life, leadership, practical Christian living, and ministry are the most pleasure for me. Thank you so much,

MAY GOD BLESS YOU AND THE MINISTRY ABUNDANTLY

*Ps Robert Telee*
