Dear Friend

FOUNDATION

As you have no doubt heard by now, – Eaglesrest is now officially recognised as a Charity Foundation in Thailand. Praise God for this important step. Now we look forward to what God opens next on our journey forward.

We thought we would share with you the four objectives of Eaglesrest Foundation as approved by the Thai government. (This is a rough translation from the Thai script)

- To offer short rest, accommodation, and help/relief to Christian workers and their families who live in Thailand and other South East Asian countries, who are suffering and in need.
- To promote in the areas of education, religion, culture and employment, enhancing existing skills of those who come.
- To do good in the community and join hands with other agencies who provide community services.
- We will have no political agenda or interfere in politics in anyway or manner.

The children enjoy playing basketball at the playground before we had a BBQ together. We hope to be able to concrete the area soon.

Now that we are official, we desire to expand the work already happening here in Phang Nga. Please consider how you may be able to assist as an individual, family or group.

For Example: There is information available for sponsoring an Asian pastor or family to come for restoration. This is one of many ways you can make a difference. We have families waiting now for assistance.

ANOTHER PRAYER ANSWERED

Our first board meeting as a registered foundation was held on Thursday 27th August. We met in the home of our newly appointed accountants, a

young Thai couple who attend our Phuket church and have their own accounting business. Both speak perfect English and were able to put our minds at ease over quite a few questions regarding Thai law requirements. As we have been praying for an accountant for some time, this is a wonderful answer. Indeed even more than we could have hoped for.

Colleen, Stephanie and Nicole sing for a 93 year old (Thai) new believer who went to be with His Lord the following evening.

"...those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."
Isaiah 40:28-31

NEED FOR WEB DESIGNER

Do you know someone who would be able and willing to devote time to upgrading our web site? We are looking for a volunteer who loves the Lord and has the skills and is willing to tithe their time to be a part of the ministry of Eaglesrest in this way.

GOODBYE TO GORDON

We have said goodbye to Gordon after three months of him sharing the work with Rommel. Gordon has been a valuable asset and shows a fine spirit of servanthood. He has moved on to join the MV Doulos for the next twelve months. As the Doulos will be visiting Phuket later this year we are already planning to catch up with him again at that time.

RELIEF TEACHER PLUS!

On September 10th Grace and Kingsley Dickins from Queensland Australia will be joining us. They plan to stay for at least three months during which time Grace will take over the home school supervision for Colleen, Stephanie, Jefferson and Nicole. This will allow time for Janene to completely recover from her illness and attend to the many matters required for Eaglesrest. Kingsley will be assisting Rommel in the ongoing work projects around Eaglesrest and the church buildings. More details next month!

Grace and Kingsley Dickins will arrive this month. Please pray for them during their time in Thailand.

Janene holds the copies of her two books: *The Healing Road to Thailand/ The Desires of My Heart.*

NEWS FLASH!

Book Two '*The Desires of My Heart: Eaglesrest is Born*' is complete and available for order. Feel free to let me know if you are interested in finding out more about how to obtain a copy (book one also still available). This second book picks up the story from Rommel and I meeting five years ago and brings you right up to present day events.
