

**EAGLESREST FOUNDATION**

**PHANG NGA, THAILAND**

**DONATION SHEET FOR VOLUNTEERS AND SUPPORTERS**

As you will appreciate, Eagles Rest is a new venture and there is much to be purchased and built before it can begin to adequately care for the Asian pastors and their families who will be invited to make use of its services.

For that reason we are asking that you join us in this start up phase by asking friends, church members and any others to help by contributing funds to purchase some of the larger items. Alternatively, smaller items may be purchased locally during your visit or brought into the country with you when you arrive.

Thank you in advance. What you consider a small contribution will play a major part in saving funds for other needed items as the work progresses. As the ministry has already begun in temporary premises, many items can be well utilized before the buildings are erected.

Please select from the following list (updated as needs change).
